Our Company

Blackland Farm Outdoor Centre is a residential and outdoor education provider based in the Sussex countryside. We deliver safe, high-quality outdoor learning experiences for schools and youth groups, with a wide range of activities designed to support learning beyond the classroom. Our experienced team works closely with visiting staff to ensure every stay is well-organised, inclusive and memorable.

Our Mission

Our mission is to inspire confidence, resilience and curiosity in every young person who visits us. We use outdoor experiences to encourage teamwork, personal growth and wellbeing, helping young people build self-belief, create lasting memories and return to school ready to learn and thrive.

DAY VISITS

Our day visits provide a flexible way to experience Blackland Farm, with a wide range of activities selected to suit your group and objectives. Each visit is carefully planned to be engaging, active and fun.

On arrival to site, you'll be warmly welcomed by a member of our team who will brief you and your group on the days schedule of adventurous activities. Groups can enjoy their packed lunch onsite, with toilet and handwashing facilities nearby, plus staff refreshments available throughout your stay.
